Dear Contractor-General,

**Re: Special Report on Investigation Conducted into the
Sale/Divestment of Air Jamaica Limited's London Heathrow Slots
to Virgin Atlantic Airways Limited**

As you know, I represent Dr. Omar Davies.

One of the most striking things about the captioned report is that its conclusions were arrived at without the input of the former CEO and President of Air Jamaica, Mr. Michael Conway. The report recognizes the important role Mr. Conway played in the matters being investigated, as it states on page 9 of 196 that there are some critical questions which have been left unanswered and which could only have been answered by him.

The report indicates that a "letter of invitation to supply information" was delivered by email to Mr. Conway, but that no response has been received. It is however, my understanding that Mr. Conway is and has at all times been
